Saves your
AccessLine number
and PIN

The screenshot shows a software interface titled "ACCESSLINE iCONTROL". At the top left, there is a small logo and the text "ACCESSLINE COMMUNICATIONS". Below this, the title "iCONTROL" is displayed. The main area contains two input fields: "AccessLine Number" with the value "2066213520" and "PIN" with the value "XXXXXX". To the right of the PIN field are two checkboxes: "save PIN" (checked) and "auto login" (unchecked). A "SIGN ON" button is located at the bottom right. At the top right, there are three icons: a minus sign, a question mark, and a close button, with the text "HELP" and "SETUP" below them.
